**Subject:** Congratulations for your 80<sup>th</sup> birthday

Dear Petar,

It is certainly a very important milestone in your life and in all that are related to you. As you are a very special person, we are very glad to wish you a wonderful day, with all the ones that you cherish and as well with the ones that have you in their hearts like me and the whole EWF Management Team and are not able to be with you in presence. It has been an honor and a big pleasure to know you, to work with you, to learn from you, but most of all to be your friend for more than 20 years!

Wishing you a wonderful day and many more to come!  
All the best.

A very warm regard.

Rute

And as well on behalf of the whole EWF Management Team
